FAITH TALKS

**DISCIPLING AND MOBILIZING
STUDENTS TO *SHARE THEIR FAITH***

FAITH TALKS

is our newest curriculum that focuses on discipling high school students to effectively share their faith.

WHAT ARE PASTORS SAYING?

“ It will make a world of difference for someone who wants to understand where their meaning is found.

– Pastor Arik (New York)

“ I think Faith Talks is going to give some really good tools for the next generation to be able to own their faith and to share the truths of their faith.

– Pastor Charles (Ohio)

“ This is a tool that’s needed.

– Pastor Johnny (Florida)

RESEARCH SHOWS THAT
ONLY 19%
OF CHRISTIAN TEENS
HAVE BEEN DISCIPLED
TO SHARE THEIR FAITH.

**IMAGINE THE
DIFFERENCE
THERE WOULD BE
IF MORE TEENS
WERE DISCIPLED
IN HOW TO SHARE
THEIR FAITH!**

*Barna Research: Reviving Evangelism
in the Next Generation, 2021*

We have conducted field research through surveys and interviews with influential youth pastors from different cultures and denominations across the United States. As a result, Faith Talks has been built upon these four concepts:

- 1. Discipleship**
- 2. Identity in Christ**
- 3. Testimony development**
- 4. Evidential truths of the Christian faith**

These concepts are interwoven throughout the curriculum for the overall development and growth of students in order to make them effective witnesses.

HOW DOES IT WORK?

Faith Talks is structured with **three modules** that make up **twelve units**. Each unit has videos, lessons, podcasts, devotionals, and much more for the overall growth of the student.

THE BIBLICAL BASIS

1 CORINTHIANS 15:1-11

This passage is used throughout Faith Talks in such a way for students to remind their peers of the importance of the Gospel and to make them more aware of Gospel opportunities. In verse 11, Paul states,

“Whether then it was I or they, we preached and they believed.”

By sharing our faith verbally, others have the opportunity to receive Jesus Christ.

MODULE FOCUSES

MODULE 1: ENGAGE

Designed for students to ENGAGE biblical evangelism.

This module has three units that focus on engaging teens with the Biblical basis for evangelism, engaging compassion for the lost, and engaging conversations that lead into Gospel conversations.

MODULE 2: EQUIP

Designed to EQUIP students with a Gospel outline.

This module has six units that focus on equipping teens with five different points—Life, Us, God, Jesus, and Faith. These Gospel points are used to guide spiritual conversations in the sharing of the Gospel, and leading someone to Christ.

MODULE 3: ENCOUNTER

Designed for growing students as they ENCOUNTER evidential truths of the Christian faith.

This module has three units that focus on handling potential objections, encountering the power of the Gospel through biblical testimonies, and encountering witnessing as a way of life.

A DIGITAL CURRICULUM

Faith Talks is mostly used within a digital format where trainers will manage their group through the **website** and students will interact through a **phone app**.
